12 Rules for Life

An antidote to chaos

A blueprint for a good life. A good life, however, can easily be disturbed and bring us in a state of *chaos*. We must cope with the unexpected disturbance of *order*. But we need both *order* and *chaos* to progress in life. We must learn to accept the reality of life and take responsibility for our own life by taking care of ourselves. The *12 Rules of Life* offer deep intelligent insights how we can take care of our own *Being* and give meaning to the life of others. Among them our children.

Start reading

The Global Reading Club also recommends:

Nudge

Improving decisions about health, wealth and happiness

‘Changes can have big influences on our life. This happens simply because we are human. The book is about nudging other peoples’ behaviour in a predictable way without forbidding any options. If you nudge, you alert, remind, or mildly warn somebody without mandates. The idea behind nudges is libertarian paternalism (free will to listen to people in authority).
