How non-conformists move the world

Adam Grant, the author of the book *Originals* demonstrates that any of us can enhance our creativity. He reveals how we can identify ideas that are truly original and predict which ones will work. He tells us when to trust our gut and when to rely on others. He shows how we can become better parents by nurturing originality in our children and better managers by fostering diversity of thought instead of conformity.

A technique for producing ideas

The idea is the soul that brings spirit and life in communication. Getting ideas is a process, based on creative intuition and on a series of steps. There is a road to travel to get ideas. An idea is nothing more than a new combination of old elements. The second important principle is the capacity to see old elements into new relationships.
